

AVG Anti-Virus

AVG Professional Single Edition versus AVG Free Edition

Which is the ideal solution for you?

AVG PROFESSIONAL SINGLE EDITION

AVG Professional Single Edition offers a unique combination of detection methods providing maximum protection for your computer on multiple levels. With a choice of basic or advanced user-interface, in one multilingual package, it couldn't be easier to use.

AVG Professional Single Edition - Complete Test result

By purchasing the professional version, you will have access to enhanced program features as well as the highest level of 24/7 technical support services. For the duration of the 2-year license, you are also entitled to all virus and program updates.

EXPERIENCE THE DIFFERENCE!

In order to experience the differences between AVG Professional Single Edition and AVG Free Edition, we encourage you to download the full trial version of AVG Professional Edition at www.grisoft.com.

For more information about Grisoft visit www.grisoft.com.

© 2005 Grisoft, Inc. All Rights Reserved. GRISOFT and AVG Anti-Virus are registered trademarks of Grisoft s.r.o. All other trademarks are the property of their respective owners.

AVG FREE EDITION

AVG Free Edition is available to home users for personal and non-commercial use on one computer. It uses the same detection methods as AVG Professional. However, AVG Free does not offer the full set of features available in AVG commercial products.

IMPORTANT NOTE:

Use of AVG Free Edition within any organization (including non-profit organizations), or for commercial purposes is strictly prohibited!

AVG Free Edition - Test Center

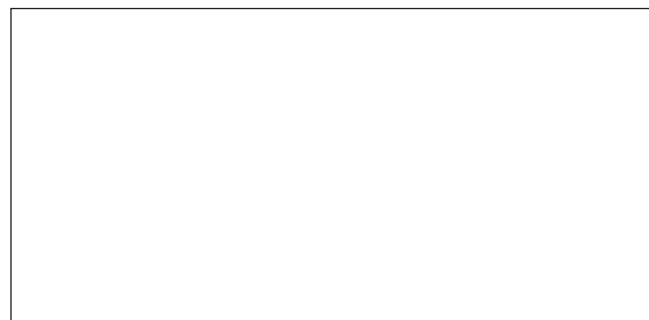

If you are looking for more features, functionality and flexibility than AVG Free Edition has to offer, or if you would like to use AVG Anti-Virus for your business or organization, then we have the commercial AVG Anti-Virus product to suit your needs.

AVG Anti-Virus

AVG Professional Single Edition versus AVG Free Edition**Which is the ideal solution for you?**

AVG Free Edition is available free-of-charge to home users! AVG Free Edition is for private, non-commercial, single home computer use only. Use of AVG Free Edition within any organization or for commercial purposes is strictly prohibited. AVG Free Edition is absolutely not for use with any type of OEM bundling

with SW, HW components or any services.

In addition to the licensing limitations, there are several key performance differences that can impact the level of security on your computer. Please consider, which product is most secure for you.
